ENROLMENT 2018/2019

INFORMATION

Dear Customers,

Ahead of us is the new school year 2018/2019.

We inform that the official open enrolment for our group activities begins on 15th June 2018 on http://skakanka.eu/zapisy-2018-2019/.

We are happy to emphasize that by choosing our offer you gain access to unique gymnastic activities, gymnastic activities for toddlers with the parents, as well as climbing activities:

- in the form of fun activities attractive to children, in limited groups (10-14 people depending on the age and level);
- each group is led by two instructors;
- each child is individually guided and evaluated, and the level of each exercise is adapted to their skills and fitness;
- exercises take place using professional and certified equipment adapted for children;
- you can follow your child's progress at our activities recorded in their special SkakAnka report book adapted to the profile of the group;
- during the activities the group has a 250 sq metre gymnastic and climbing hall for their exclusive use.

Due to great interest, we kindly inform that places in each activity group will be allocated on a first come first served basis.

In attachment we present our new schedule, the new pass scheme, the new price list and a brief calendar for the new school year. ☺.

See you at the activities!
SkakAnka Team
